LEGAL UPDATE/MATTERS:

Mediations: The Commission had one mediation and four conciliations. All were successful.

NEW BUSINESS:

- **HUD Partnership Grant**
We requested \$6,500 to update our Metro homepage. We will also be using the funds to update the housing page that is on our webpage. We will be working with One Lucky Guitar to get that done.
- **EEOC Outreach Grant**
We were able to request \$4,000. This is new, EEOC has never given this amount of funds in the past, but they had extra funds to give out this year. In less than seven days, they asked us to put something together to request funding for our Outreach and Education. We worked with Todd Steele from Liechty Media to create a plan to use the funds in the audio and digital advertisement. It is a possibility we may not get it. If we do, this will be additional funding we have not had in the past.
- **Welcoming Week**
Began on Saturday, Metro was at the Welcome Resources Fair, September 11th. Senior Investigators Sorg, Woods, and Investigator Nancarrow attended this event. We gave out Metro swag, made contact with many people, and we were able to give them information about our services.
- **Fair Housing Event 2021**
This year it will be on October 13th. A save the date will be sent out this week, followed by a press release and news release the following week. We will have a keynote speaker and six break-out sessions. The event will take place at the Coliseum. We will also be following COVID-19 protocols; with the venue, we do have enough space to spread out tables and have a limited amount of people at each table. Face masks will be required.
- **Metro on the Move**
August 26th the initiative concluded. Over the 12 weeks we did receive a handful of individuals walk-in. We received a lot of positive feedback. Making ourselves available and being out in the public has been very positive. We have hopes to continue the relationships we have with the organizations. This could be something we prolong in the future.
